Contact Person: Johnny L. Moutry, Jr.
President, Milwaukee Club of Frontiers International

Mission Statement: To provide opportunities for Frontiers--We The People participants to maximize their knowledge and understanding of the U S Constitution, the Bill of Rights and the principles of Citizenship.

I. Goal: To increase, improve and maximum each participant's awareness and knowledge of the United States Constitution and Bill of Rights through trainings, workshops, field trips and We The People Mock Congressional Hearings.

II. Objectives: Students and staff will increase their knowledge and understanding of the history and principles of the U. S constitution and the Bill of Rights.

III. Recruitment: Middle/High School students recommended by teachers, parents and community. Recruitment resources: schools, Boys & Girls Clubs and Churches.

IV. Orientation: Key stakeholders: parents, school administrators, teaching staff & Frontiers staff (What, Why and How?). We The People Program Expectations.

V. Student Orientation: Program Expectations: Meeting dates/times, required readings and research. Attendance at training sessions is required.

VI. Unit Begins: Introduction to units, lessons, and glossaries. Preparation for mock Congressional hearings.

VII. Student Outcomes: Students will gain an Increased understanding of the significance of the U. S. Constitution.

Students will recognize the need for rules and government.

Students will be able to explain how government and laws can protect natural rights.
